

## The driving service Volante services "English-speaking driver service" Now Available

Volante,co.ltd, to provide services with an emphasis on hospitality chauffeur service (Location: Chuo Ward, Tokyo, CEO: Inagaki Tomoyuki), starts "English-speaking driver service" on February 2011.

### ■ "English-speaking driver service"

Due to Tokyo's Haneda Airport resumed regular international flights on October 2010 for the first time in 32 years, we are expected to increase even more foreign businessmen and tourists.

Therefore, the Volante will start "English-speaking driver service, " for customers to assist to move to the airport and throughout the cities.

### [1] Recommendation for the scenes.

- When the foreign guests to be picked up (or the person in question), there is a car but no driver is available in English.
- Like shopping and sightseeing - Taking care your guests to provide driving service in English.
- To keep costs to provide another interpretation.
